

Lawrence Hill/Bedminster class homework.

Week one.

Spellings.

Even
Great
Break
Steak
Pretty
Beautiful
After
Everybody

Mental maths.

Number bonds to 100.

$$100 = 70 + \underline{\quad}$$

$$40 + \underline{\quad} = 100$$

$$100 = \underline{\quad} + 20$$

$$100 - 50 = \underline{\quad}$$

$$100 - 10 = \underline{\quad}$$

$$80 - \underline{\quad} = 100$$

READING SKILLS

Please read your reading book with an adult at home. You now have your yellow reading record books to record in as well!

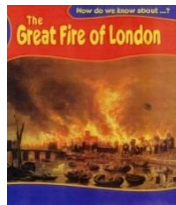

Adults - reading doesn't always have to be our school reading book - any books you read at home can be recorded - even comics and magazines count!

Ask your child questions about what they have read or stop them and get them to predict what might happen next - we want to check that as well as decoding words and recognising the words they are reading that your also understands the context and content of the story.

English

Can you write a list of facts about the Great Fire of London that you know after reading the book at school this week?

Can you start each sentence with Did you know that?

Maths

Maths Mastery Addition and Subtraction - True or False?

1. If you add two even numbers together it will always make an even number. True or false? Show me how you know!

twinkl.com

Try this activity with different two digit numbers.

Write down the number calculations you make.
