Practice your 3 times table

15, __, 21, 24, __, __.

Now go backwards!

15 __, 9, __, __

30, __, 24, __, __, __

READING SKILLS

Please read your reading book with an adult at home. You now have your yellow reading record books to record in as well!

Adults - reading doesn't always have to be our school reading book - any books you read at home can be recorded - even comics and magazines count!

Ask your child questions about what they have read or stop them and get them to predict what might happen next - we want to check that as well as decoding words and recognising the words they are reading that your also understands the context and content of the story.

English

Next week we will be re visiting our story "Toby and the Great fire of London."

This weekend can you see if you can recall the main events from the story and tell an adult at home.

Challenge – can you write the main events in the order the happened?

Maths

7.

How much? _____

8.

How much? _____
