

Dear Parent/Carer

**School Closure on Thursday 23<sup>rd</sup> May 2019 for European Elections**

Minerva Primary Academy has received today letter from Bristol City Council confirming that the school will be a polling station venue on Thursday 23/05/2019 for the European Parliamentary Election.

We have tried to think of ways of keeping the school partially open but due to safeguarding requirements are forced to close for pupils on this day. School will be open as normal on all other days of this week.

Thank you in advance for your understanding.

Principal
