Dear Parents and Carers

Re Year 1 and 2 -Start of school day

Thank you to all parents and carers for your support in settling the children into class at the start of the school day.

It has been a really calm start to the term and children are arriving ready to learn.

We would now like to encourage children to come into class unaccompanied and for parents and carers to say their goodbyes at the main playground door.

This is good practice as it allows us to build children's confidence and independence.

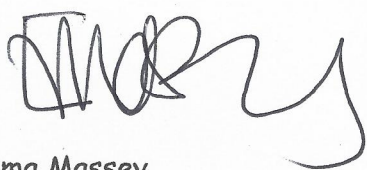

If you would like to speak to your child's teacher then please let staff at the door know and they can either pass on a message or if urgent arrange for the teacher to see you.

There will also be opportunities at the end of the day to speak to the teacher if you need to.

If you have any medical or confidential / urgent information that needs to be passed on please speak to the main school office.

Many thanks for your support.

Yours faithfully

Emma Massey
