CLF Equality, Diversity and Inclusion Statement

Minerva Primary Academy part of the Cabot Learning Federation (CLF), recognises, and celebrates diversity, including that which exists within our pupil and staff populations and the communities we serve. We are committed to advancing equal opportunities for all and eliminating discrimination on any basis, including disability, ethnicity, gender, gender identity, age (except pupils), marriage and civil partnership, pregnancy and maternity, sexual orientation, and religion or belief (defined as Protected Characteristics) so that equality, diversity and inclusion (EDI) underpin all we do.

We recognise the following duties under the Equality Act 2010:-

- Eliminating discrimination, harassment, victimisation and other conduct that is prohibited by the Act;
- Advancing equality of opportunity between people who share a protected characteristic and people who do not share it ;
- Fostering good relations across characteristics - between people who share a protected characteristic and people who do not share it.

Regardless of the statutory responsibilities the CLF recognises the positive impact that a cohesive and inclusive EDI strategy can achieve. This includes but is not limited to

- a) Ensuring that all students maximise their potential regardless of their background or characteristics.
- b) Responding to the changing diversity of our students, communities or colleagues and the opportunities this presents.
- c) Addressing under representation within the work place and in particular within leadership positions. Broad representation is key to ensuring that both pupils and staff have positive role models to provide inspiration and ambition.
- d) Deliberately pursuing strategies to ensure fair and equal pay opportunities for different groups, including addressing the gender pay gap.
- e) Harnessing the power and leverage of leadership within the Academy
- f) Celebrating the opportunities created through EDI

At Minerva Primary Academy we recognise that supporting a diverse organisation is a continuous process where long term and sustainable plans are key. We recognise that attracting, advancing, developing, engaging and retaining a diversity of talent is important; alongside delivering equity of opportunity for our pupils whilst fostering an inclusive culture where differences are valued and enhanced. This is a continuous process where long term and sustainable plans are key.

Minerva Primary Academy holds a long and deep commitment to welcoming diversity, examples of which are demonstrated on a day-to-day basis throughout the Academy. The culture of the **Minerva Primary Academy** has supported the aim to positively encourage EDI. Our specific diversity related achievements include:-

- Children with English as an additional language and BME children achieve as well as and often better than other children.
- A child, when questioned by an OFSTED inspector about what is good about school, told the inspector that “at Minerva it is ok to be different”.
- There are opportunities within the curriculum to learn about the diverse faiths represented at the school, including visits to places of worship.
- Our new school building is completely accessible to wheelchair users.
- Children with SEND make good progress and we have been praised for our effective support of a range of SEND by the local authority and by visiting Educational Psychologists.

The pursuit of the EDI agenda is a continuous process and our next objectives are:-

- To ensure our curriculum addresses all protected characteristics in the Equality Act 2010
