

Year One HOMEWORK term 3 week 1

Phonics.

Look at your new Phonics bookmarks.
Learn these high frequency and tricky words. They will help you with your reading!

Write a sentence to include these phase five tricky words.
people Mr Mrs would could

Spellings

off	bank
well	think
miss	honk
buzz	sunk
back	junk

Number Bonds to 20.

- 10 + 10 = 20
- 9 + 11 = 20
- 8 + 12 = 20
- 7 + 13 = 20
- 6 + 14 = 20
- 5 + 15 = 20
- 4 + 16 = 20
- 3 + 17 = 20
- 2 + 18 = 20
- 1 + 19 = 20
- 10 + 10 = 20

These number bonds are to be learnt by heart - if your child can instantly recall the number pairs to 20 they will become speedier at mental maths.

READING SKILLS

Please read your reading book with an adult at home. You now have your yellow reading record books to record in as well!

Adults - reading doesn't always have to be our school reading book - any books you read at home can be recorded - even comics and magazines count!

Ask your child questions about what they have read or stop them and get them to predict what might happen next.

Challenge - read to an adult every day! Are you recording your reading in your reading jotter?

Literacy.

This is where Pirate Peter live... write a letter to Peter the Pirate describing where you live and who you live with.

Remember to use adjectives that will make your writing much more interesting. **Adjectives** are describing words - eg: The **warm blue** sea is **rippling** across the **soft yellow** sand.

Numeracy.

Write the addition sentences for each of these number problems - eg: 10 and 6 make would be $10 + 6 = 16$

10 and 3 make

10 and 9 make

10 and 7 make

10 and 2 make

10 and 1 make

10 and 5 make

Challenge - add the part part whole for each problem
